

The logo features the word "Fortifeye" in a blue, sans-serif font. The "Forti" part is dark blue, and the "feye" part is a lighter blue. A small icon of three blueberries with a stem and leaf is positioned above the "i". A registered trademark symbol (®) is located to the right of the "e". The text is framed by two curved lines: a dark blue one on top and a light blue one on the bottom. In the background, there are faint, light gray illustrations of a kiwi fruit and a leaf.

**Fortifeye**®
